

Luikenneviraasto Trafikverket

The map displays the southern region of Finland, focusing on the municipalities of Taivalkoski, Suomussalmi, and Hyrynsalmi. The map is characterized by a dense network of roads, including major routes like the E63 and E89. A prominent blue line traces a path through the area, starting from the northwest, passing through Suomussalmi, and ending near Hyrynsalmi. The map also shows the borders of these municipalities and the surrounding areas. Key locations include Taivalkoski, Suomussalmi, Hyrynsalmi, and various smaller villages and lakes. The map is color-coded to distinguish between different types of terrain and water bodies.
